

Donating Frames

FAQs

Thank you for your interest in donating eyeglass frames to 20/20 Quest, a National Vision sponsored charitable foundation.

How will the donated frames be used?

Your eyeglass frame donations will be sent domestically and globally to non profits that have qualified for mission trips and non-profits (certified 501c3) in the United States that take the eyeglass frames abroad.

20/20 Quest welcomes donations of new eyeglass frames from all **eye care centers** and **manufacturers**.

What types of frame donations does 20/20 Quest accept?

We can accept new adult and children's eyeglass frames.

What types of donations cannot be accepted?

We cannot accept donations of glasses cases, rimless frames, or drill mount frames. We also cannot accept used glasses. If you are trying to donate used glasses, [Lions Clubs](#) or other local organizations may be able to utilize these.

What information needs to be included with the shipment?

Please include your contact information. After we receive your donation shipment, we will send a confirmation of receipt letter for your tax records. We will not assign a value to the shipment and will only confirm the number of eyeglass frames received.
